

The world`s largest statue of the Virgin Mary with Jesus measures 14 m (64 ft) high and stands on a base of 17 m (55 ft 9 in) and it is in a GUINNESS WORLD RECORDS. It`s weight is 80 tons. The monument is built with honour and respect to the Holy Mother of God the Protectress of the town of Haskovo. The "Blessed Virgin Mary" monument`s attracting appearance is well completed by the chapel "Birth of Blessed Virgin Mary", built in its foundation in 2004.
