

The village of Shkorpilovtsi is located south of the mouth of the Kamchiya River and not far westwards from the mouth of the Shkorpilovska River. The resort village provides fine conditions for summer time holidays. The convenient and spacious 5 km long beach is available to the holiday makers. In the region there are holiday houses, villas, bungalows; cozy private accommodations are also offered. Restaurants and cafes, pavilions and shops are open. The surroundings provide picturesque landscapes and romantic walks amidst the freshness of the oak forest and the cold spring, as well as to the Cherniya Nos [Black Cape], rising 80 m above the sea.
